Subject: US V. Rockenhaus, 23CR20701

To Whom It May Concern:

My present lawyer, Marc Lakin, is requesting further compensation for my case that I am unable to afford. I am currently only receiving disability income, and I am presently indigent due to my lack of employment income and my only income is disability income.

Due to the fact that the US Government is alleging supervised release violations and wants to revoke my supervised release, I hereby request an appointment of a public defender.

If there's any questions or comments, please reach my wife, Adrienne Rockenhaus, at the phone number above as I presently don't have a phone. Thank you for your assistance in this matter.

Regards,
