Subject: RE: Voicemail from Gina Shireman (Sunday, Jan 4, 2:10 PM) - WRITTEN RESPONSE REQUIRED - URGENT

Ms. Shireman:

I received your voicemail at 2:10 PM today (Sunday, Jan 4) regarding my husband, Conrad Rockenhaus (Inmate #39400-480, FCI Milan). As the Constituent Services Director and Lead VA Caseworker, you are undoubtedly aware that your office has failed to act on my constant pleas for help since September, leaving a 100% disabled veteran with a service-connected TBI to seize to death in solitary confinement as a retaliatory punishment for his whistleblowing.

Due to my disability and the active federal litigation regarding these matters, I cannot speak by phone. All communications must be in writing to ensure an accurate record for the court and the Inspector General.

Please reply to this email immediately with the following:

Confirmation of Inquiry: Confirm in writing that you have initiated a formal Congressional Inquiry with the Bureau of Prisons regarding the Care Level Violation (BOP Policy 5100.08) at FCI Milan.

OIG Referral: Confirm that you have forwarded my evidence of the "Judge-Shopping State Warrant" and AUSA Gorgon's misconduct to the DOJ Inspector General, as I have requested of the Senate Judiciary Committee.

Transfer Demand: Confirm that Senator Slotkin is aware that a disabled veteran is dying in her district due to medical neglect and requires immediate transfer to a VA Hospital, local ER, or home so that I can transport him.

I have already notified the Offices of the Senate Majority Leader and the Judiciary Committee of this crisis. My husband does not have time for any more discussion or phone calls; he needs a transfer to a local ER or local VA hospital today.

Good afternoon,

Thank you for providing additional information regarding your concerns with the Bureau of Prisons (BOP). I would like to acknowledge that the circumstances involved in this case are extremely serious and we want to ensure your allegations are addressed appropriately. I have cc-ed our Chief of Staff and State Director on this message for their awareness.

First, I would like to take the opportunity to review the actions our office has taken that are consistent with our handling of congressional casework:

• On September 9, 2025, we received your initial request for assistance with several legal concerns.

• On September 10, 2025, Fladiana recommended that you reach out to an attorney for help and provided websites where you could file complaints against the Livingston County Jail, the Livingston County Board of Commissioners, the Michigan Department of Corrections, and the Michigan Department of Civil Rights.

• On September 23, 2025, we received your request for assistance with the BOP.

• On September 24, 2025, Fladiana reached out to you to obtain a copy of your Power of Attorney paperwork for Conrad Rockenhaus. You provided the document the same day.

• On September 25, 2025, Fladiana submitted an inquiry on your behalf to the Office of Legislative Affairs at the BOP. An email was sent to you notifying you of this action. You sent an email reply to Fladiana thanking her for her assistance.

• On October 15, 2025, you emailed Fladiana with additional information about your legal case. She responded the same day and referred you to report your concerns to the court.

• On October 20, 2025, you emailed Fladiana asking for a welfare check of Conrad Rockenhaus. Fladiana forwarded your request to the Office of Legislative Affairs at the BOP and received confirmation that the BOP would investigate.

• On October 21, 2025, Fladiana notified you of the BOP's willingness to look into the matter.

• On November 20, 2025, Fladiana received a response from the BOP about the medical care of Conrad Rockenhaus while in BOP custody and forwarded it to you.

I highly recommend that you work with a reputable attorney to address the various issues you have shared with us. The following link can provide you with guidance for finding a lawyer: https://www.usa.gov/legal-aid.

Unfortunately, a congressional office is not equipped to provide the type of assistance you are seeking. We are happy to step in if you need help getting an answer from a federal agency or need clarification on a reply you have received. We work with congressional liaisons at federal agencies rather than as an independent investigative body.

The Senate Committee on Homeland Security and Governmental Affairs (HSGAC) is the primary mechanism for whistleblower complaints in the Senate. HSGAC has a website where whistleblowers can provide information to the Chairman or Ranking Member’s staff, through an online form, for follow up. The website and forms can be found at the following link: https://www.hsgac.senate.gov/contact/whistleblowers/.

Senate Democratic Leader Schumer and HSGAC Ranking Member Peters announced in October 2025 a separate, additional portal for whistleblowers who want to disclose information about wrongdoing. That portal can be found here: https://www.democrats.senate.gov/whistleblowers.

I hope this information is helpful. If you have additional questions or concerns, please feel free to contact me.

Sincerely,

Gina Shireman

Ms. Shireman,

I proceeded with the Whistleblower Disclosure to the Committee as you directed.

However, I must formally correct the record regarding your email below.

Your timeline claims that your staff sent me resolutions on October 15, 2025 and November 20, 2025. This is false. I never received any such correspondence. Whether this is a clerical error or a fabrication to close a difficult file, the result is the same: Your office claims to have "resolved" a life-or-death medical crisis for a disabled veteran, when in reality, you left him to die slowly in horrific agony for three months while I waited for a response that never came.

Please verify your outgoing server logs immediately.

Furthermore, I am confused by this office's refusal to engage with the evidence of corruption by U.S. Attorney Jerome Gorgon. Senator Slotkin voted "NAY" on Mr. Gorgon's confirmation on December 18. She went on the record that he was unfit. My evidence, which documents torture, fraud, and the weaponization of the DOJ under Mr. Gorgon's watch, vindicates the Senator's vote. It is deeply disturbing that while the Senator voted to stop this man, her staff is now refusing to look at the evidence that proves she was right.

I have submitted the Whistleblower complaint. I expect this office to correct its internal records regarding the "sent" emails immediately.

Dear Ms. Rockenhaus,

Hi Adrienne,

Thank you for this update. I am still awaiting a response from the Bureau of Prisons regarding your husband's care. I want to let you know that our office cannot get involved with any legal dispute; I would advise reporting this to the United States Courts: www.uscourts.gov/. I will reconnect once I receive a response from the agency.

Sincerely,

To: Lopez, Fladiana (Slotkin) Date: Thursday, November 20, 2025 at 11:21:17 AM Eastern Standard Time Subject: Response to Congressional Inquiry - ROCKENHAUS, Conrad-39400-480

Good Afternoon,

This is in response to your inquiry regarding Mr. Conrad Rockenhaus. In the inquiry, your constituent expresses concern regarding his medical care. Currently Mr. Rockenhaus is under the care of the Federal Correctional Institution (FCI) Milan with a projected release date of March 2, 2026.

In accordance with BOP Program Statement 6031.05, Patient Care, "Healthcare will be provided to inmate patients in accordance with proven standards of care without compromising public safety concerns inherent to the agency's overall mission."

It is the policy of the Federal Bureau of Prisons to provide evidence-based, proven medical care, in accordance with approved clinical practice guidelines, to everyone in our care. Health Services Staff will follow the Federal Bureau of Prisons' clinical practice guidelines for diagnosis, treatments, and procedures.

Based upon the nature of the inquiry, the information was provided to the warden's office at FCI Milan for review and any necessary follow up. Review of medical records reveal, on September 17, 2025, Mr. Rockenhaus arrived at FCI

Milan with a list of his previously provided medications that he had been currently taking. Mr. Rockenhaus was provided these medications on September 18, 2025.

Should Mr. Rockenhaus need to be assessed by his provider team between scheduled appointments, he may request to be seen via sick call procedures. In the event of urgent or emergent concerns, he need only notify the nearest employee 24 hours/day for assistance.

Mr. Rockenhaus is encouraged to work collaboratively with his treatment team in order to ensure he continues to receive the best possible care. If Mr. Rockenhaus has unresolved concerns regarding his care or any other condition of his confinement, the Administrative Remedy Program is the appropriate venue for him to address those concerns. The Administrative Remedy Program allows incarcerated individuals to appeal decisions at the institutional, regional, and national levels. At each level, a response is provided in writing.

I hope this information assists you in responding to your constituent.

Sincerely,

Gina Shireman

Ms. Shireman,

The BOP document you attached is a verifiable lie, directly contradicted by audio evidence recorded on January 4, 2026.

By closing this inquiry, you are choosing to accept bureaucratic fiction while a disabled veteran seizes to death in slow, excruciating agony, a retaliatory torture punishment executed on Senator Slotkin's watch.

We are constituents being hunted by federal agents, and I doubt the Senator would approve of your choice to bury the evidence of a murder in progress.

If you had put even half the effort into actually helping us as you just did into constructing this weak, self-serving paper trail, my husband wouldn't be dying right now.
