Subject: URGENT SUPPLEMENT: Evidence of Perjury by Defense Counsel & Sixth Amendment Violation (Rockenhaus)

Ms. Shireman,

I apologize, but I sent my previous email without including the critical evidence regarding the Sixth Amendment violation (denial of counsel) involving Conrad's former attorney, Marc Lakin.

This documentation is vital because it proves Mr. Lakin lied to the Federal Court to excuse a 42-day delay in withdrawing from the case, a delay that left Conrad effectively unrepresented and vulnerable while his health deteriorated. Lakin claimed under oath he was "out of the country", but the text logs I am attaching prove he was actually in Redford, Michigan, soliciting payments from us at that exact time.

Here is the full report on his misconduct and the text message proof:
