My veteran husband needs medical care immediately or he will die. Please stop ignoring us. Get him to a VA hospital today, or he will die. This cannot wait any longer.

I am writing to you because your caseworker, Fladiana Lopez, has ignored my pleas for help since September regarding my husband, Conrad Rockenhaus (100% Disabled Veteran), who is currently being held in solitary confinement at FCI Milan with an untreated head injury inflicted in an illegal raid by US Marshals caught on my security camera here: https://youtu.be/DnGDdGYQHfU?si=Pbe7ogd4v4W9hy-T

Ms. Lopez's failure to act has left a disabled veteran seizing to death in the SHU, at the mercy of Neo-Nazi guards, a fact I have now reported to the ADL and the Aleph Institute, both of which have promised to follow up immediately.

I am asking you to bypass Ms. Lopez and initiate a formal Congressional Inquiry with the BOP immediately before this becomes a death-in-custody scandal on Senator Slotkin's watch.
