Subject: URGENT: PPO VIOLATION IN PROGRESS/AUTHORITIES REFUSE TO ACT/NOTICE OF IMMINENT WRONGFUL DEATH (ROCKENHAUS)

Despite weeks of Actual Notice regarding his Care Level 4 instability, untreated TBI, and documented suicide plan, the BOP has dumped Conrad Rockenhaus (Reg #39400-480) at my doorstep.

1. Judicial Breach: This is a direct violation of the Wayne County Ex Parte PPO (Case No. 26-102221-PP).
2. Police Obstruction: 911 dispatch and MSP have refused to enforce the PPO and are instructing me to violate a judicial order by letting the respondent inside.
3. Medical Abandonment: You were warned that a street release would result in this "administrative catastrophe". You chose to let it happen.

You are now on formal notice that the local emergency grid is failing. If Conrad seizes to death, commits suicide, or if I am harmed, every official on this thread will be named in the resulting Federal Tort Claims Act (FTCA) litigation for Deliberate Indifference and State-Created Danger.

GOVERN YOURSELVES ACCORDINGLY.
